

ADDING GLASS TO YOUR EXISTING DOOR

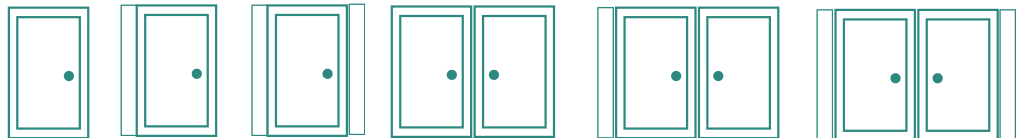

Use our measure guide to measure your existing door for when you're ready to add glass to it! Print this measure guide and record your measurements in inches. If you have double doors, simply measure your active/main entry door. If you have sidelites, simply measure one of the sidelites using steps 5 and 6. In addition to this measure guide, please take and bring a few pictures of your door as well! Grab a measuring tape, open your door and start measuring!
